CUSTOMER WARRANTY PROCEDURE

If there is a **manufacturing fault** with a product under normal use conditions and within the warranty period then please take note of the terms below and adhere to the following procedure:

1. Report to security at the door with the product and the original invoice.
2. A Supervisor/Foreman will be called to discuss the problem and record details of the fault.
3. If the Supervisor/Foreman feels that the fault **MAY BE** a warranty claim then the customer will be issued with a return slip as proof that Haskins is in possession of the goods.
4. The warranty claim will be assessed by Haskins technical staff in conjunction with the manufacturer.
5. No product will be repaired or replaced until a proper warranty assessment has been carried out.
6. The warranty assessment will be conducted as soon as possible but will not be immediate.
7. There is no warranty for goods that have been abused.
8. There is no warranty on electrical components.
9. The decision to award a warranty claim is at the sole discretion of J Haskins and Sons and the manufacturer.
10. Definition of warranty: A warranty is a guarantee given to the purchaser by a company stating that a product is reliable and free from known defects and that the seller will, without charge, repair or replace **defective** parts within a given time limit and under certain conditions.
11. Warranty **does not cover** damage resulting from misuse, accident, negligence, modification or alteration to hardware or software, tampering, unsuitable physical or operating environment beyond product specifications, improper maintenance, or failure caused by other outside factors such as electricity surges, for example.
12. Definition of second hand: owned or used by someone else before you.
13. **Please Note**: Haskins does not sell second hand items as new.
14. Goods not collected within 3 months will be sold to defray expenses.
